Health and Wellness

We help campers apply sunscreen in the morning and the afternoon every day during summer camp. We provide Rocky Mountain Sunscreen brand Skin Friendly Sunscreen for Kids. We are happy to keep a different sunscreen that you provide here at the center for your child's use. Please label it with your child's name and give it directly to a staff member. Children are not permitted to use spray sunscreen.

We serve a light breakfast in the morning and two snacks in the afternoon. Breakfast is served until 9:15, if you want your child to have center breakfast he/she must arrive no later than that time. Commonly served items are English muffins, fruit leathers, granola bars, cereal, Chex mix, yogurt, string cheese, cuties, apples, goldfish crackers, jelly and cream cheese. If your child has dietary restrictions or commonly needs more than one serving of snack please provide extra food for them in their lunchbox.

Our staff are first aid certified and will treat any small cuts and bruises that happen at camp. In the event of more serious injury or illness we will call a parent for guidance. Please see our attached wellness policy for a description of when a child needs to stay home. Please communicate directly with Joe if your child has a serious allergy.

Please address any concerns about your child's health and wellness to Joe Wagner, Lead Teacher

Hours and schedule

Summer By The Week! is from 8:00 am to 5:45 pm every day.

In addition to our planned field trips we may take impromptu walks and trips and are likely to be out of the classroom between the hours of 9:00-4:30. We also strive to create a dynamic, fun and engaging environment for all our campers and having campers arrive and depart during our activities is disruptive for everyone.

Plan to drop off and pick up your camper around those times. If you need a late drop off or early pick up, please let a teacher know and we will try to accommodate. We cannot accommodate drop off or pick up during field trips.

Check out the sample schedule on the next page to get an idea of what the week looks like. Our planned field trips typically happen on the days and time listed.

Summer By The Week

Camper Information

Camper Code of Conduct

Attached is a Camper Code of Conduct form. It is essential for the enjoyment of everyone at camp that each member behaves in a way that respects our community. Please review the Camper Code of Conduct with your child and both sign it. We will collect the form the first day of the camp session. Only one copy is needed even if your child is attending multiple weeks.
