CANCELLATIONS

Cancellations received 30 days prior to the start of camp will receive a full refund less the \$20 deposit. Cancellations received two weeks prior to the start of camp will receive a 50% refund less the \$20 deposit.

Cancellations received one week prior to the start of camp will receive a 25% refund less the \$20 deposit. No refunds will be given for cancellations with less than one week's notice.

LUNCH, SNACKS AND ESSENTIALS

Morning & afternoon snacks, milk and water are provided by the center. Children need to bring a portable bag lunch from home to accommodate field trips and impromptu picnics. It is ESSENTIAL that children bring water bottles and comfortable walking shoes every day. Each Thursday children will go swimming at the Amazon Community Pool and will need a swim suit and towel. An extra change of clothes will come in handy when our projects get "hands on".

SUMMER BY THE WEEK!
2019

FOR CHILDREN ENTERING
1st-5th Grade

Housed on the University of Oregon campus, the Vivian Olum Child Development Center's SUMMER BY THE WEEK! camp for school-age children provides a variety of weekly camp themes that are inspiring, active and fun! Fees include weekly field trips, campus excursions, transportation on center buses, weekly swimming at Amazon Community Pool, as well as morning and afternoon snacks.

Themed activities and field trips occur between 9:00-4:00 each day. Activities and field trips are planned around the weekly theme. Campers also participate in traditional camp activities such as group games, crafts, and nature exploration. Our small group size and high adult to child ratio allow us to build a tight-knit community and nurture compassionate relationships, personal responsibility, and individual social skill building. Maximum group size of 20.

WEEK ONE: JUNE 24-28

Outdoor Explorers

Welcome to the great outdoors! Explore local hiking trails, discover how to identify native plants and wildlife, and relax in a hammock under a shady tree. Stand on top of the world after you summit Mt. Baldy! Ensnore yourself in the lush understory of herbaceous plants and the dense canopy of broadleaf and evergreen trees at Elijah Bristow State Park. This week will be full of outdoor adventures!

WEEK TWO: JULY 1-3 *NO CAMP 7/4-7/5

Birds, Bugs & Beasts

Buzz goes the bee! Tweedle, deedle dee goes the bird! Meet some eagles, hawks, falcons, and more on a trip to the Cascade Raptor Center. Inspect the ponds of Alton Baker Park and identify the many varieties of creatures that call them home. Build bug, bird, and bee friendly structures for your own backyard that will support native wildlife!

WEEK THREE: JULY 8-12

Old Fashioned Summer

Pass the lazy days of summer in the shade of an oak tree. Beat the heat running through sprinklers and splashing around at Amazon pool. Watch an old fashioned movie in a box car theater at the Brownsville Museum. Sell lemonade at your own lemonade stand. Wander through the shady orchards at Dorris Ranch and play some classic summer games!

WEEK FOUR: JULY 15-19

Icky Sticky Science

Melt stuff! ZAP stuff! Squish it! Freeze it! Make it go POP! Is it science or magic? You'll find out. Create erupting foam monsters and investigate the science of illusion. Reveal the mysteries of science as you examine creepy creatures, make instant snow, mix up glowing slime, and conduct lab tests on mystery substances.

WEEK FIVE: JULY 22-26

Carnival Craze

Step right up! Step right up! You will be the big winner this week as you design your own carnival games and fun house! Master the tricks of a circus clown! Enter the wacky veggie competition and see prize winning animals, crafts, and more at the Lane County Fair.

WEEK SIX: JULY 29 – AUGUST 2

Just Plane Crazy

Spend this week exploring the miracle of flight! Take a journey to the Oregon Air and Space Museum and sit in the cockpit of an airplane. Unveil the mechanics of flight by experimenting with your own aircrafts. Launch different types of rockets, build airplanes, and drop parachutes.

WEEK SEVEN: AUGUST 5-9

Wizards, Fairies & Elves

Enter the world of magic and myth! Concoct potions, build homes for the fairy folk and search for the elusive gnome. Take a journey to the Enchanted Forest and immerse yourself in the world of fairy tales! Learn new spells to cast with your own wand or wizard staff!

WEEK EIGHT: AUGUST 12-16

Olum Science & Space Academy

3...2...1...BLAST OFF with the OSSA and journey through the wonders of our solar system and beyond! Investigate the stars and constellations as you take an out-of-this-world sky tour at the Eugene Science Center Planetarium and explore a scale model of our solar system at Alton Baker Park. Design space capsules and launch "eggstronauts", delve into Newton's Laws of Motion, build your own star projector and more!

WEEK NINE: AUGUST 19-23

Stop Motion Animation

And the award for Best Stop Motion Animation Short Film goes to...YOU! Discover the art of stop motion animation by creating your very own movie. Kid friendly movie making software makes the process simple and fun! Film, edit scenes, and add the perfect soundtrack! Bring your imagination to life and debut your movie on the big screen.
